

LEARNING EXPERIENCE OVERVIEW

JA Career Success[®]

■ Work and Career Readiness

JA Career Success is an engaging and comprehensive program that introduces high school students to the workplace. As interns, they participate in realistic work experiences in multiple departments of a fictional company, Orbit Boom.

The learning experience teaches soft skills and business best practices in the context of realistic scenarios and assignments.

Supporting blended as well as self-guided activities, *JA Career Success* (Blended) builds knowledge, skills, and abilities in every competency of the JA Work and Career Readiness Pathway.

- This flexible volunteer- or educator-led program consists of seven core 45-minute modular sessions, plus one or two optional Extended Learning Opportunities per session
- Ten optional career development self-guided activities, with lean Guides for Volunteers and Teachers are available for in-class use, including a new addition, *Crafting Your Resume* <https://connect.ja.org/work-career-readiness/plan-your-path/resumes2/crafting-your-resume2>
- An optional advanced independent project, *Effective Communication*, requires the creation of artifacts, to extend learning and allow credentialing in two JA Work and Career Readiness competencies
- The default ICH for this program is 7 hours with a minimum of 3 volunteer-led hours. Session One and Seven are recommended to introduce the scenarios and sum up the learnings, respectively. The other sessions can be presented in any order. Variable ICH ranges from 8–16 hours.

LEARNING EXPERIENCE HIGHLIGHTS
