2022–2023 JA Stock Market Challenge Virtual

November 2022 and April 2023

High school students from all over Western New York will have the opportunity to participate in a stock market challenge simulation for **ONE MONTH** as part of their *JA Take Stock in Your Future*® program.

The purpose of the JA Stock Market Challenge Virtual is to give students a better understanding of trading strategies and portfolio management. Students will also learn how to use a variety of financial instruments and their risks and rewards as they apply to asset management. This challenge will take place for an entire month; November 2022 and April 2023.

Students will work as a team or individually and make their own trades using fictitious money based on real stock market activity, trends and analysis using www.HowtheMarketWorks.com

STOCK MARKET CHALLENGE

Presented by

In November 2021 and April 2022, we hosted JA Stock Market Challenge Virtual Flights with great success.

Students said:

"This was my first Stock Market Challenge and I absolutely loved it! It was a great learning experience and extended my knowledge of stocks and what's going on in the real world. I'd have to say my favorite part of the challenge was the friendly competition between myself and friends from other schools as well as in class. Everyone involved got very into depth. We checked first thing on our ranks when we got into class as well as to the point where we were sending each other updates out of school and kept the thrill going. I really enjoyed this experience and would love to participate again in the future, thank you to Junior Achievement and all of their sponsors!"

"I wanted to thank you for hosting the Stock Market Challenge! It was a great experience and I had a very fun time participating. From this challenge I learned how the Stock Market functions and its importance in our economy. Throughout the challenge, I learned strategies to gain as much money per stock as possible and then sell it just as quickly. Thank you again for hosting this very fun event!"

"After the challenge I became more educated about the Stock Market and have a better understanding of how I could invest my money in the future that can benefit me. I hope I continue to learn about the Stock Market, and I have even been talking to my parents about it."

"Thank you for hosting the stock market challenge. What I have learned is to be patient and look at many stocks you wouldn't consider looking at. I was very excited to participate."

FINAL RESULTS

Sponsored by: **Bank on Buffalo** and **TOPS Friendly Markets**

1. Donald Donnelly	(Alexander)	\$26,140.46
2. Ian Edmonds	(Alexander)	\$25,864.86
